The screenshot shows the 'Search - Driver' screen of the Lonelyseat app. At the top, the status bar displays '06:01 PM' and icons for signal, Wi-Fi, and battery. The app header includes the Lonelyseat logo, the text 'Peer-to-Peer Delivery', a notification bell icon, and a 'log out' button. The main section is titled 'Browse Empty Space' and contains a search form with four input fields: 'Item Location?' (with a location pin icon), 'Item Destination?', 'Stuff will fit in' (with a dropdown arrow), and 'Sort By' (with a dropdown arrow). Below these fields is a 'Filters' section with a 'more' button and a dropdown arrow. The bottom of the form has a large green 'search' button.

"This information is to enable payment to be processed via stripe."

The screenshot shows the 'Request sent process payment' screen in the Lonelyseat app. The app header includes the Lonelyseat logo, 'Peer-to-Peer Delivery' text, and icons for notifications and login. The main form contains input fields for 'Expiry Month (MM)', 'Expiry Year (YYYY)', and 'Enter CVV'. Below these is a 'Save Card' checkbox and a 'Secured Payments' section featuring the Stripe logo and credit card icons for Visa, Mastercard, and American Express. A section titled 'Would you like to help support one of our following partners?' includes two checkboxes for supporting 'Brake' and 'Trees that Count'. A summary table lists 'Amount' (\$110.00), 'Fees' (\$6.68), 'Insurance' (\$0.00), and 'Donate' (\$0.00), with a 'Total cost' of \$116.68. A disclaimer at the bottom states that items are carried at the owner's risk. A large orange 'Send request' button is at the bottom.
